
Course Outline

Stroke Awareness

Course length: 3 - 4 hrs

Qualification: Certificate of Attendance

INTRODUCTION

This short course is designed to give a greater understanding about strokes. On completion of the course the candidate will have had practical experiences of what a stroke client has to deal with on a daily basis.

SYLLABUS

- To give a greater understanding of strokes (CVA) and TIAs.
- To understand the difference between CVA and TIA.
- To understand, recognize and treat a casualty who is suspected of having a stroke.

Objectives

- To understand the signs and symptoms of a CVA.
- To ensure quick assessment and treatment of someone having a CVA.

Cost: £20 per person + VAT on open courses

£20 per person (min charge of £200) + VAT for in-house courses
